BCBS Agent – Deb Gill BCBS agent explained discrepancies regarding amount of insurance premiums. Apparently, the price the township was quoted is for the first quarter and the township should have received second quarter quotes. Deb presented some additional options such as raising the deductible and or eliminating dental insurance.

Board members agreed to hold a workshop on Wednesday, April 7, 2004 to review the issue. Until a decision is made, the old contract will stay in effect.

PUBLIC COMMENTS

- Resident questioned the re-routing of snow mobile trails.

SUPERVISORS REPORT

- Supervisor Palma explained the dilemma regarding the township having fire works this year. Over the past several years, the township has used Brian Kendall property on Kinross Lake to set off fireworks. Mr. Kendall recently sold the property and the township has no other safe zone that has an 800-foot perimeter around the launch site. The township will continue looking for some alternative prior to canceling fireworks for this year.
- There will be a Street Scape Project presentation at 6:30PM on Wednesday, April 7, 2004.
- A Golf Course Workshop is scheduled for Monday, April 12, 2004 at 7:00PM.

Property Management Department discussed Royal Treasures heating bill for last winter. Apparently, the renters did not receive a bill for the entire winter and when they did receive the bill from DTE, it was more than 8000.00 dollars several hundred dollars over what the previous Property Manager quoted them. Because of the heat discrepancy and the fact that Mrs. Hampton continues to advocate for new businesses in the area request would be in order to credit them \$1,638.41 this is the amount of rent they owe the township at this time. After a lengthy discussion, the Board made the following motion and plans to discuss the issue further on April 13, 2004.

#16 MOVED: by David Kauer, second by Marvin Henderson, to freeze all future interest and late fees on rent owed to the township by Royal Treasures. Motion carried.

Special meeting scheduled for Tuesday, April 13, at 6:30PM to discuss the 2005 ambulance budget. Employee #10125 resignation/discharge removed from tonight's agenda the issue having been resolved.

Supervisor Palma opened the Lake Dredging Public Hearing at 7:40PM and asked for questions or concerns at this time.

PUBLIC COMMENT

- Barbara Wehner – Is the amount quoted to us last year the same or has it increased?
- Rick Southwell- Are there any special provision to protect our wells. Has there been an environment study, done to protect our water quality?
- Charles Anderson- Is it true that someone is selling their property to the township? Where will the spoils be stored? When was the last assessment done on the lake and what will this do to the fish and such? Who owns the spoils? Who receives the money when sold?
- Charles Leigh- I don't think its fair that the township is not paying as much as the private owners. Public access should pay more.
- John Boynton- My cost has increase by \$300.00 and my other parcel is not listed on the assessment. I do not understand how these numbers came about.
- Kent Owen- I am confused about the cost, the information that was mailed last fall does not come close to the amount we are now seeing. When will we have the exact estimate of cost?
- Roy Hill- I have been dealing with this for over a year the \$360,000. is for dredging only we still have legal fees to pay.
- Rick Southwell- Has the lake been tested lately for contamination in the bottom?
- Charles Anderson- Once the dredging is complete we will not have any fish for 3-5 years.
- Roy Hill- The petition states that 80% of the people are in favor and only 20% are not in favor.
- Charles Anderson- The cost on my parcel went up considerably.
- Kent Owen- When will the board vote to move forward on this issue?

- Kids Fishing Day is June 12, 2004.
- A & L Metal will be accepting metal free of charge on May 8, 2004.
- Kincheloe residents will receive curbside pick up on clean up day however, they may pick up dump passes if they wish to haul the garbage themselves.

DEPARTMENT MANAGERS

DJ Malloy, Deputy Supervisor informed the Board that Chippewa County had received grant money from the Kellogg Foundation to build a Children's Museum. Apparently, the original plan was to build in Sault Ste Marie and the project did not go through. Representative Kerry O'Connor from the Chippewa Foundation explained that they would like the museum built at the Recreation Center. The grant money will cover the cost of the building and the township would be responsible for maintenance, utilities, liability insurance and staffing. Supervisor Palma stated that he would schedule a special workshop within the next few days to discuss the issue further.

In addition, Deputy Supervisor Malloy presented written information regarding BCBS health insurance. No action taken by the Board.

Golf Course Superintendent Palmer requested approval to hire Davy Ray for the golf course maintenance position. The Board took no action because the applicant's application was not submitted received.

Jamie Davison Golf Course Manager requested to change the name of the course. And requested approval to advertise, and interview seasonal pro shop employees.

#4 MOVED: by Vicki Ulrich, second by Marvin Besteman, to allow Jamie Davison to advertise and interview for one additional part time seasonal pro shop employee. Motion carried.

Supervisor Palma opened the Kinross Lake Dredging special Assessment Public Hearing at 7:35PM.

PUBLIC COMMENTS:

- Don Sare RAB Committee Member reminded the Board that the last meeting would be held May 18, 2004, regarding dump sites #1, #2, and County dump #5. Recommendation will be made to disband the committee.
- Pat Haskell RAB Committee Member stated that she would be making a motion to disband the committee. Future meetings will be held on a needed basis only.
- Resident commented that Spring Clean was marvelous and thanked the Board.
- Resident questioned who would be taking care of maintenance at the Community Park when the Caretakers contract expires at the end of the month.
- Attorney Paul Brewster- I am representing Gary & Jan Sobleski who owns property on Kinross Lake on the west side and have an interesting situation in that the first 100 feet or more of the property is wet lands and can hardly see the lake therefore, the dredging will not benefit the Sobleskis who protest the assessment. The criteria for the assessment is will the improvement benefit the owners and in this case, it will not benefit the Sobleski. I present correspondence along with a photo from Robert Smith Certified Appraiser with Professional Business Services and I would quote an excerpt from his letter "the impact of the proposed dredging on a property is quite limited. In fact, the proposed increase in assessment to the subject site is probably going to result in a sizable decrease in value for subject site. Lacking the ability to improve the subject site and directly benefit from the proposed dredging as the other improved sites on the lake can, results in the potential negative impact to the subjects property." I would suggest that proposed assessment is arbitrary capricious and does not bear a significant relationship to rather the work benefits the owner. The Sobleskis are also on a fixed income and

a forty three thousand dollar tax bill over the thirty years has a negative impact and would ask that the assessment be measured by the benefit of each parcel and in this case ask that the assessment on the Sobleski property be substantially reduced.

- Charles Anderson- I have a question on Riparian Rights that were discussed here at the last meeting. Would you explain our Riparian Rights to us concerning Kinross Lake? I have information from the DNR stating that the property owners own the soil out to the middle of the lake.

SUPERVISORS REPORT

Supervisor Palma reiterated the importance of the Board to attend the May 18, 2004, RAB meeting.

Municipal Underwriters agent Bob Gandolfi briefed the Board on property and casualty insurance premium increase and Work Comp premiums. Property and casualty premiums

increased by 10% compared to the 18% last year. Loss rate is approximately 50%, which is about average. Work Comp premiums increased due to claims in the last two years however, with a township this size it is to be expected.

PUBLIC COMMENT

- Resident questioned appointments to the Building Authority asking what their qualifications are how many serves, term limits and who decides who serves.
- Don Sare past Commissioner of the Building Authority explained the duties of the Commission. Don also, expressed an interest in serving on the Commission once again.

Phillip Wolf from Anderson Tackman addressed concerns regarding the financial status of the township based on their audit report. He explained that the fund balances have increased during 2004 for governmental operations. The audit reports do not show a million dollar decrease in the fund balance. At the end of 2004, the township has \$404,000.00 in reserves and over \$500,000. in cash for governmental services.

At the end of 2004, equities of the townships operations were at \$768,000., which is approximately 30% of the budgeted expenditures. Generally, recommendation would be that this ratio be 10% - 15% to provide adequate reserves for the following year. At the end of 2004, the township had sufficient cash to meet the obligations and bills of the township with adequate reserves for the next fiscal year.

SUPERVISORS REPORT

Final draft has been received for the Street Scape Project.

DEPARTMENT MANAGERS

Supervisor Palma called the Public Hearing to order at 7:00PM.

The township received two letters in protest of the special assessment from Patricia Mesh, 11 Parkside Dr. and David Mesh, 9 Parkside Dr.

A Power Point Presentation by Chief of Police Joe Micolo included introduction of staff, yearend time report, yearend incident data, and transportation report. Chief Micolo explained programs that the department is involved in as well as collaborative efforts they participate in. Special assessment history, grant funding, revenue and expenses were reviewed.

PUBLIC COMMENTS

- Mark Gill- this years increase seems extreme compared to the decrease in services. Will the township be replacing the officer we lost?
- Don Sare- Is the township being paid for patrolling M-80.
- Mark Gill- Why do we continue working for TSA?
- Mark Gill- The cost of administration and training has increased substantially.
- Mark Gill- Does the transportation report include the tribal officer's mileage.
- Dolores Griggs- Why do the police show up on ambulance calls?
- Mark Gill- What is delinquent revenue.
- Don Sare- Why has the Work Comp insurance increased so much if they have never had any claims? The Special Assessment District should only be paying for what is used.

- Dolores Griggs- When the department pulls someone over are they still asking, “Have you been drinking and do you have a tribal card”?
- Mark Gill- Have there been any studies conducted as to the level of criminal activity between 3:00 & 6:00am.
- Mark Dobson- It seems that some of the people are aware of the hours that the department is on patrol.

Supervisor Oberle called the special meeting to order at 7:30PM. Trustee Mitchell led the Pledge of Allegiance.

Treasurer Ulrich explained the conference call between herself, Supervisor Oberle, Clerk Besteman and Assessor VanVolkenburg with Attorney Mark Nettleton of Mika Myers Becket & Jones last week regarding procedures for deferment of lake dredging fees on the winter tax bill. A letter dated November 29, 2004, from Mika Myers Becket & Jones outlined options the Board may consider for deferring payments and/or rescinding Resolution #4. Board members agree that new members of the Board will need to be brought up to date with regards to this issue. Supervisor Oberle informed the Board that he contacted the DEQ asking that they postpone the public hearing for sixty days however; he was informed by the Department of Environmental Quality that they are unable to cancel at this time therefore, a Public Hearing will be held on December 14, 2004, as scheduled. Residents, in attendance, who own property on the lake and will be affected by the special assessment expressed concerns of being charged this year for a project that is not yet scheduled. They further expressed the need and desire for dredging Kinross Lake.

#1 MOVED: by Vicki Ulrich, second by Ed DeWitt, to defer lake-dredging fees on the 2004 winter tax bills and manually bill residents for payments due if/when project proceeds. Motion carried.

December 1, 2004

Board members discussed the letter sent to the Prosecuting Attorney pertaining to the Supervisors office computer and displaced files. Clerk Besteman explained that he and

Trustee DeWitt reviewed the files and found files that may be of use to future administrations as well as files that according to Michigan Law are permanent records and have not met guidelines for disposal. Supervisor Oberle reiterated that a virus contaminated the computer hard drive and according to the computer technician is not retrievable. Board members agree that a policy is needed stating no files of any type will be destroyed or removed from the township. Further discussion held regarding additional policy stating that should any employee load personal software on any township computers it immediately along with any documents becomes the property of Kinross Charter Township and shall not be deleted without proper authorization. In addition, the Board discussed Supervisor Oberle's Press Release and concerns of possible legal action for the township.

Supervisor Oberle submitted information requesting authorization to purchase a new computer and recommended that Joseph Paczkowski be appointed Deputy Supervisor. The Board discussed qualifications, salary, and job duties for the position.

#2 MOVED: by Dan Mitchell, second by Ed DeWitt, to appoint Joseph Paczkowski Deputy Supervisor full-time, at a salary of twenty-seven thousand five-hundred dollars per year for the duration of Supervisor Jason Oberle's term of office. Motion carried.

#9 MOVED: by Vicki Ulrich, second by Ed DeWitt, to use golf course bond monies for the purchase of a Toro Greensmaster 3050 cost not to exceed \$15,979.00. Motion carried.

Bill Palmer informed the Board that he had discussed with Norm Perkins the possibility of trading in the current compressor used for winterization. The current compressor is not large enough to handle the job and takes additional hours for Bill to complete the winterization of the course. The township would receive a \$12,550.00 trade in on a larger compressor. Board members will evaluate the feasibility and need for this purchase.

Treasurer Ulrich updated the Board on the progress made regarding the beverage cart lease agreement. The information has been reviewed by Attorney Underhill and in his opinion; the township would be paying for a product that we would never own. The beverage cart came from Susquehanna Patriot Leasing Company through Royal Links. According to the agreement we have with Royal Links they have the first option to purchase the cart for \$1.00 after the township pays it off. The Attorney states that since the package was not opened and Royal Links has made no payments to us for the cart we should return it to the company. Treasurer states that the Attorney is willing to represent us in this matter. Board members agree that is in the best interest of the township to retain an Attorney to take care of this matter.

#10 MOVED: by Vicki Ulrich, second by Dan Mitchell, to retain Attorney Underhill to write an opinion letter regarding the beverage cart lease agreement with Susquehanna Patriot Leasing Company and Royal Links. Motion carried.

Golf Course Manager Jamie Davison requested approval to purchase the demo utility cart they have used for the last two seasons from BSA. Jamie also, reminded the Board that the Golf Course would be hosting the 2007 UP Golf Association Men's Championship. The event will bring in 350-450 golfers to our area. The current clubhouse is not large enough to accommodate this many people and Jamie is asking the Board to meet and discuss either renovating the existing building or to purchase a tent that will handle this many people. Jamie is required to provide this information at the UPGA Annual meeting next October otherwise the event will take place elsewhere. The Board will review this during budget workshop.

#11 MOVED: by Vicki Ulrich, second by Ed DeWitt, to allow Jamie Davison to purchase a utility cart from BSA cost not to exceed \$6208.00. Motion carried.

Accountant Hoolsema submitted information regarding an error in reduction of the previous EMS Managers pay. Deb Muter appointed EMS Manager in November of 2001 and received a pay increase of \$1.50 per hour. When she resigned in November of 2004 the Board reduced her pay by only \$1.00. Board motion made in January 2003 states that any employee appointed additional duties and receives a pay increase will be paid that

amount only during the time they conduct those duties. Upon relinquishment, pay will be adjusted.

#12 MOVED: by Ed DeWitt, second by Vicki Ulrich, to rescind motion #7 of November 1, 2004 stating “accept Deb Muters resignation from full time to part time status, relinquish appointment of EMS Director and decrease pay by one-dollar (\$1.00) per hour effective November 1, 2004. Motion carried.
